

Cookie Policy

WirePro Electrical Limited

Effective date: 5th January 2026

This Cookie Policy explains how WirePro Electrical Limited uses cookies and similar technologies when you visit our website.

Cookies are small text files that are placed on your device when you visit a website. They help the website function properly, improve user experience, and provide information about how the site is used.

We use cookies to ensure the proper functioning of our website, to analyse website traffic, and to understand how visitors interact with our site. This helps us improve website performance and usability. Cookies do not collect information that directly identifies you as an individual.

Some cookies are essential for the operation of the website and cannot be switched off. Other cookies, such as analytics cookies, are used only to gather anonymised information about website usage.

You can control or disable cookies at any time through your browser settings. Please note that disabling cookies may affect the functionality of certain parts of the website.

By continuing to use our website, you consent to the use of cookies in accordance with this Cookie Policy, unless you have adjusted your browser settings to refuse cookies.

We use analytics cookies, including Google Analytics, to understand how visitors use our website. These cookies collect information in an anonymised form. Analytics cookies are only placed with your consent and can be managed via the cookie banner.

For more information about how we handle personal data, please refer to our Privacy Policy.
